Monday, February 12, 2024, Fellow members,

Your bargaining committee met with the company on Wednesday, February 7 to pursue a proposal on compensation. We are awaiting information from Bonterra to be able to finalize the proposal. We'll also be meeting in the near future to bargain over new titles the company introduced.

If individual members have questions or concerns relating to compensation that they would like to make the bargaining committee aware of as these negotiations continue, please reach out to your respective bargaining committee representative:

- - John Gannon - local 1400
- - Grace Duginski - local 2336
- - Ryan Brown - local 13000

There is power in a union!

In solidarity,

Your CWA bargaining committee members representing Local 2336
