The bargaining team representing thryv members has engaged in several productive sessions with the company. Although we have yet to reach any tentative agreements, numerous critical issues are being addressed. Our overarching goal is securing a fair contract that not only addresses your immediate concerns but also fosters a sustainable and equitable work environment for everyone.

As we make progress, we will keep you updated on key developments and look forward to your support and solidarity as we work towards a fair contract.

Thank you for your dedication and commitment to the collective bargaining process.

In Solidarity,

Your CWA Bargaining Team
